Description

The BAVARIA S30 Open is a dynamic and sporty motorboat that focuses on giving both the skipper and the crew a fantastic sailing experience. The design includes a forward-facing passenger seat that allows for wind in the hair and enjoyment of the surroundings. It has a flexible seating group aft instead of a fixed sunbed, which makes it suitable for the Danish climate. Ideal for sailing on long or short trips, the BAVARIA S30 offers both fun and comfort. The boat is displayed at Dansk Marine Center A/S. For further information or to arrange a viewing, contact Henrik Lund • Phone 0045 40325968 or E-mail: hl@dmc-as.dk
