Bavaria C46 is designed with a focus on aesthetics and functionality. The boat has clean lines and a modern appearance that makes it an eye-catcher on the water. The boat has a spacious and well-equipped cabin that offers plenty of space for the crew. There are comfortable seating areas and plenty of natural light thanks to the large windows. The boat is available in various layout options, including 3 or 4 cabins, allowing for flexibility when it comes to crew and accommodation. The Bavaria C46 offers impressive sailing qualities and performance. It is easy to handle and responds quickly to steering, which makes it suitable for both experienced sailors and those who are new to sailing. The boat is equipped with modern technology and navigation equipment, which makes sailing more comfortable and safe. This includes advanced navigation instruments and engine management systems. Comfort is a key feature of the Bavaria C46. It has a well-equipped kitchen facility, spacious bathrooms and comfortable sleeping cabins. There is also a large salon where the crew can relax and socialize. The boat is built with quality materials and the best German boatbuilding craftsmanship, ensuring durability and reliability over time. The deck and cockpit are designed with sailing comfort in mind. There is plenty of room for the crew and the sail trim options are easily accessible. Overall, the Bavaria C46 is a modern and luxurious sailboat that combines elegance with high performance and comfort. It is suitable for sailors who want to explore the waters with style and reliability.
