Description

Bavaria C 38. For immediate delivery Experience the best of both worlds with the BAVARIA C38 - the ultimate combination of excellent sailing characteristics and maximum comfort. With a unique design profile that includes BAVARIA's V-bow and chines at the stern, safe and fast sailing characteristics are guaranteed as well as an incredible amount of space below deck. In the owner's cabin in the bow, the double bed measures a sensational 1.73 x 2 meters. The two berths in the aft cabins measure 1.50 x 2 metres, which is also close to a record for this boat size. With an optional cabin layout and generous space for movement on the foredeck and side deck, new dimensions open up below deck. This boat is chosen with the comfortable 3-cabin version with one bathroom, you can enjoy a dream sleep in a real king-size bed in the front cabin. The innovative hull design not only provides more space below deck, but also exceptional sailing characteristics. BAVARIA's Chines and V-bug ensure stability and better performance, while the prominent angle at the stern provides extra comfort in the aft cabin. Come and experience the freedom of choosing the BAVARIA C38. For further information or to arrange a screening, contact Henrik Lund • Phone 0045 40325968 or E-mail: hl@dmc-as.dk
