Mercury 420 Ocean Runner RIB

79,800.00 DKK

Description

420 Ocean Runner with Mercuru F40EFI on Brenderup trailer set is almost like new and can be delivered immediately. The fiberglass floor provides the stability and performance you expect, while contributing to low weight for the boat. This construction provides full sailing pleasure and increased safety. To make it safe to get on or off the boat, the fiberglass floor has a non-slip surface to eliminate the slippery conditions during water activities.
