Description

NEW ITEM, JUST ARRIVED AT THE EXHIBITION: One of the best Bayliner models ever - this boat is well laid out, spacious and with good headroom, space! In addition to the double bed in the bow, this boat has a surprisingly large center cabin, where even two adults will find plenty of room. The boat here is very, very well maintained, super equipped, fully serviced, ready for the season. The side decks are, unlike many other US brands, wide and easy to walk on - but access can also be done through the center window, which opens easily and provides further access via 2 step down into the cockpit. If you back up to the floating bridge, there is easy access over the bathing platform, into the large cockpit with wet bar, and elegant U-shaped sofa, which with the accompanying large cockpit table is the boat's natural gathering place. The boat is large and comfortable enough for longer holiday trips.....
